Professional summary

UI UX Designer and Frontend Developer with 3+ years of experience in delivering high-quality, pixel-perfect designs and responsive web applications. Excellent team player with effective communication skills and a proven track record of meeting project deadlines.

Work Experience

UI UX Designer
Mar 2024 - Present

Ricamado Unique Limited

Lagos, Nigeria

This role is centered on blending aesthetics with functionality to create a real estate platform that not only looks great but also performs exceptionally.

- Spearheaded user-centric interface design, boosting user engagement by 20% through intuitive property search and listing interfaces.
- Conducted user research with 50+ participants, leading to 5 key UX improvements that increased average session duration by 30%.

Frontend Developer
Oct 2023 - June 2024

Sidmach Technologies

Lagos, Nigeria

Developed a comprehensive design system that streamlined workflow for the design team; reduced design iteration time by 30% and enabled a consistent brand experience across 8 different platforms and applications.

- Collaborated with design teams to create UI designs that improved user satisfaction scores by 20% across 3 major projects.
- Develop and manage interfaces that reduced user error rates by approximately 30%.

Presentation

Frontend Developer - *Intern*
June 2024 - July 2024

HNG

Remote

HNG Internship is a fast-paced bootcamp for learning digital skills. It's an intensive, remote learning program designed to help participants develop practical skills in various tech domains, from software development to design and digital marketing.

- Converted 15+ design mock-ups into fully functional, responsive web interfaces.
- Completing projects 20% faster than the average intern, mentored fellow interns, facilitating knowledge sharing and troubleshooting support.

IT Specialist - *Intern*
April 2021 - May 2021

Federal Airport Authorit of Nigeria (FAAN)

Lagos, Nigeria

This version emphasizes the learning and supportive aspects of an internship while outlining the intern's role in contributing to real-world projects.

- Enhanced foundational skills in HTML, CSS, JavaScript.
- Gained hands-on experience with network configurations.

Graphic Designer
2019 - Present

Freelance

Remote

As a freelance graphic designer, I work independently with clients to deliver creative and impactful design solutions tailored to their specific needs.

- Completed 50+ design projects for diverse clients, maintaining a 80% satisfaction rate and securing 40% of new business through referrals.
- Designed a brand identity system for a startup that contributed to a 70% increase in brand recognition within 6 months.
